4th Annual
Salisbury State Soccer School

Salisbury State College Campus, August 18-22, August 25-29, 1980
Sandy Hill Elementary School, Cambridge, Maryland, August 18-22, 1980

PURPOSE: The Salisbury State Soccer School offers young players an opportunity to learn and enjoy the world's most popular sport by providing expert instruction and total involvement in all aspects of the game. The intensive 5-day experience focuses on individual skill development, small group play, and game competition as vehicles for player improvement.

PHILOSOPHY: Staff members of the Salisbury State Soccer School share a number of beliefs about how the game of soccer should be played. Among these principles, toward which daily activities will be geared, are the following:

—First and foremost, the game should be **fun.**
—The trap-and-pass "controlled" style of play is superior to "kick and run" soccer.
—Man-to-man defensive fundamentals are essential to good soccer, regardless of the formation a team employs.
—Modern soccer requires offensive and defensive involvement by each of the eleven players on the field at all times, with players capable of executing the demands of more than one specialized position.
—Offensive players without the ball must move constructively to create space and opportunities for attack.
—Effective communication among team members and a clear understanding of mutual responsibilities are essential for successful team play.

WHO MAY ATTEND: Male and female soccer players from ages 7-18 (or entering grades 1-12) are welcome to attend, regardless of prior soccer experience. Young players under age 10 are encouraged to take advantage of the half-day option and enroll in the morning session. Unlike previous years, players of any age may attend either week of the camp at the College, and may elect to attend both weeks. NCAA rules preclude participation by boys who have begun their senior year in high school.

COSTS: Full Day: $55* second week $40
Half Day: $40* second week $25
*Registrations not paid in full by August 1, 1980 are subject to a $5.00 late fee.

Campers in Salisbury may purchase their meals from a local restaurant or they may pack a box lunch. The camp staff will escort those who wish to patronize a fast-food establishment across Route 13.

Campers in Cambridge should bring their lunch. Canned beverages will be available for sale in Cambridge, but no meal service is available at the school.

Because of the camp's scheduling near the start of the academic year, no overnight housing in college dormitories is available.

PROGRAM FEATURES:

—Every camper receives a soccer shirt and a regulation 32-panel synthetic leather soccer ball to keep.
—A professionally-trained athletic trainer will be at camp at all times and the regular health services of the College, including emergency transportation to a hospital, will be available.
—Scheduling the camp at summer's end provides a perfect lead-in to the fall season. Coaches are welcome to attend along with their players.
—Our collection of soccer movies and video tapes is being expanded to include more instructional films and top calibre game action.
—Special Cambridge extension offering will permit Dorchester and Talbot County players to recieve the same benefits as lower shore residents. Further information about the Cambridge camp may be obtained from Dr. Conners at Salisbury State or Mrs. Jackie Hubbert (301-228-7240).
—Prospective campers who demonstrate legitimate financial need may be eligible for scholarship assistance. Call Dr. Conners at 301-546-3261, extension 320 for more information.

STAFF: Salisbury State varsity coaches Keith Conners and Gerry DiBartolo will serve as camp directors and will be assisted by highly qualified coaches, teachers and active college players.
